The Edge Laptop Toploader TSA friendly computer bag provides full functionality and practicality for the mobile minimalist who carries their technology with them from home to the office, on a business trip or to the local coffee shop. A large, zippered accessory pocket organizes and stores business cards, pens, keys, smartphone, MP3 players, power cords and other traveling essentials. A front panel with a secure zipper pocket provides immediate access to your small essentials like keys, a wallet, ID or passport, cash and other small items.
Add comfort to your journey with the padded shoulder straps and non-slip grip handles. A luggage strap on the back panel slips over the telescoping handle of most rolling luggage. The Edge Laptop Toploader bag accommodates notebooks with displays up to 16 inches (diagonally).
